à chaque actualisation de la page, il y'a un mini Loader. Il dure quelques temps et le contenu de la page s'affiche.

Quand on passe la souris (Hover) sur le bloc, des informations supplémentaires et un bouton pour avoir des infos supplémentaires apparaît. Ce bouton dirige l'utilisateur sur une page html descriptive du projet

Il y'aura des boutons en position fixe sur le côté de la page (un pour j'aime, un pour "scroll to top", et un pour envoyer un mail)
